

*Bangladesh's premier International Exhibition on Power Generation & Transmission, Energy & Renewable Energy*

CONCURRENT EXHIBITION:

## POST SHOW REPORT

CEMS-Global - Conference & Exhibition Management Services Ltd.- USA & CEMS Bangladesh, the Multinational Exhibition Organizer since 1992, with its operations in 8 countries and organizing over 40 Exhibitions per annum, in its efforts to organize the most important and much needed Trade Shows in South & South-East Asia, pleased to bring its Premier International 'POWER series of Exhibitions' once again to Bangladesh as the '15<sup>th</sup> POWER Bangladesh 2015 International Expo' – focusing and devoted to the development of Power Generation & Transmission, Alternative Power, Solar Power, Energy and Renewable Energy sectors of Bangladesh, from **03~05 December 2015**, at International Convention City Bashundhara.Dhaka-Bangladesh.

On the same dates, Concurrent Exhibitions held, namely, (a) Renewable Energy Bangladesh 2015 Int'l Expo, (b) 10th Solar Bangladesh 2015 Int'l Expo, and (c) E-Power Bangladesh 2015 Int'l Expo, which focuses on Electric Power Equipment and Technology.

With the above 4 exhibitions in one go, it was one comprehensive exhibition focused not only to the entire Power & Energy sector of Bangladesh but also catered to the needs of Power & Energy for the entire Industry sector of the Country.

'15<sup>th</sup> POWER Bangladesh 2015 International Expo' was endorsed by the 'Ministry of Power, Energy & Mineral Resources– Govt. of the People's Republic of Bangladesh'.

This Exhibition brought together under one roof all stakeholders in the Power & Energy Industry under one B2B platform and a significant leap can be taken in Bangladesh's Power & Energy sector by close interaction between the exhibitors of the Exhibition from over 10 countries and the local entrepreneurs leading to successful partnerships & Joint- Ventures to accomplish the Government's Vision of fulfillment of people's aspirations and successfully facing the challenges of the sector.

With the ever-growing power & energy needs of Bangladesh thus making a need to explore newer opportunities in the Power, Energy, Solar / PV (Photo Voltaic) and Renewable Energy sectors of Bangladesh, 15<sup>th</sup> POWER Bangladesh 2015 International Expo will be the perfect B2B platform for the entire Power & Energy Industry of Bangladesh including Bangladeshi Industry stakeholders who will attend and get the opportunity to see the latest technologies and innovations in the Power Generation and Energy sector thus delivering a great networking opportunity.

Hence with display of latest innovations and technology of the world in Power & Energy sector in 15<sup>th</sup> POWER Bangladesh 2015 International Expo with its concurrent exhibitions on Renewable Energy and E-Power, the Expo played an important role in familiarizing the local entrepreneurs with the newest technology right at our doorsteps, in this highly potential sector of our Country with a huge scope for expansion. The Government also wants to seek new technology with emphasis on tapping the alternative energy sources for Power Generation which would take a big load off our existing reserves used for Generation.

Besides Exhibitors from over 10 countries, there were also visitors coming to Bangladesh from different parts of the World to visit the 15<sup>th</sup> POWER Bangladesh 2015 International Expo to familiarize themselves with the Power & Energy sector of Bangladesh and saw the Investment climate where the Government is encouraging Foreign Investments in the sector.

15<sup>th</sup> POWER Bangladesh 2015 International Expo was also giving special emphasis on Renewable Energy, Solar/ PV Power with its concurrent exhibitions, for encouraging investment in this sector to generate electricity from
