8th POWER Sri Lanka 2012 Int'l Exhibition

Sri Lanka's Int'l Exhibition on Power Generation & Transmission, PV Power, Energy & Renewable Energy

From **14 ~ 16 June 2012**

@ Sri Lanka Exhibition & Convention Centre, Colombo - Sri Lanka

Concurrent Exhibitions

CEMS-Global - Conference & Exhibition Management Services Ltd.- USA & CEMS Lanka, the Multinational Exhibition Organizer since 1992, with its operations in 7 countries and organizing over 37 Exhibitions per annum, in its efforts to organize the most important and much needed Trade Shows in South & South-East Asia, is pleased to bring its Premier International 'POWER series of Exhibitions' once again to Sri Lanka as the '8th POWER Sri Lanka 2012 International Expo' - focusing and devoted to the development of Power Generation & Transmission, Alternative Power, Solar Power, Energy and Renewable Energy sectors of Sri Lanka, from 14 ~ 16 June 2012, at Sri Lanka Exhibition & Convention Centre (SLECC), Colombo - Sri Lanka.

On the same dates, Concurrent Exhibitions will also be held, namely,

(a) Renewable Energy Sri Lanka 2012 Int'l Expo, (b) Solar Sri Lanka 2012 Expo and (c) E-Power Sri Lanka 2012 Int'l Expo, focusing on Electric Power Equipment and Technology. With the above exhibitions in one go, it will be one comprehensive exhibition focused not only to the entire Power & Energy sector of Sri Lanka but will also cater to the needs of Power & Energy for the entire Industry sector of the Country.

Co-Partner of the Exhibition was **Browns Group**.

Co - partner

CEMS-Global's 'POWER Series of Exhibitions' is an International branded series focused in South & South-East Asia and is held annually in Bangladesh, Sri Lanka & Sri Lanka.

This Exhibition will bring together under one roof all stakeholders in the Power & Energy Industry under one B2B platform and a significant leap can be taken in Sri Lanka's Power & Energy sector by close interaction between the exhibitors of the Exhibition from over 10 countries and the local entrepreneurs leading to successful partnerships & Joint- Ventures to accomplish the Government's Vision of fulfillment of people's aspirations and successfully facing the challenges of the sector.

BROWNS & COMPANY PLC

With the ever-growing power & energy needs of Sri Lanka thus making a need to explore newer opportunities in the Power, Energy, PV (Photo Voltaic) and Renewable Energy sectors of Sri Lanka, **8th POWER Sri Lanka 2012 International Expo** will be the perfect B2B platform for the entire Power & Energy Industry of Sri Lanka including Sri Lankan Industry stakeholders who will attend and get the opportunity to see the latest technologies and innovations in the Power Generation and Energy sector thus delivering a great networking opportunity.

Malco Engineering (PVT) Ltd

Vikram Solar Pvt Ltd

Koolair Pvt. Limited

Windsia Energy Industries Pte Ltd

Browns Group

8th POWER Sri Lanka 2012 International Expo will provide the Exhibitors a not-to-be-missed opportunity further establish business contacts and get face-to-face and interact directly with the visiting Trade Delegations, Industrialists, Importers, Distributors, Agencies hence a great and only B2B platform of its kind in Sri Lanka and a unique opportunity with a rapidly developing Industry sector where investments are now on a rise with new Industrialization making Sri Lanka a very important Business destination in South Asia.

Hence with display of latest innovations and technology of the world in Power & Energy sector in **8th POWER Sri Lanka 2012 International Expo**, with its concurrent exhibitions on Renewable Energy and E-Power, the Expo will play an important role in familiarizing the local entrepreneurs with the newest technology right at our doorsteps, in this highly potential sector of our Country with a huge scope for expansion. The Government also wants to seek new technology with emphasis on tapping the alternative energy sources for Power Generation which would take a big load off our existing reserves used for Generation.

Alpha Thermal Systems (Pvt.) Ltd.

Besides Exhibitors from over **10 countries**, there will also be visitors coming to Sri Lanka from different parts of the World to visit the **8th POWER Sri Lanka 2012 International Expo** to familiarize themselves with the Power & Energy sector of Sri Lanka and see the Investment climate where the Government is encouraging Foreign Investments in the Power & Energy sector.

8th POWER Sri Lanka 2012 International Expo is also giving special emphasis on Renewable Energy, Solar Power with its concurrent exhibitions, for encouraging investment in this sector to generate electricity from renewable sources to meet an ever-growing demand and lessen the dependency on existing resources.

The Expo will bring world-class technology which would be beneficial to upgrade the Power & Energy sector and also play an important role by assembling the entire business community of Sri Lanka from all the industry sectors of our country under one roof thus creating a one-of-a-kind networking opportunity ever seen in the country and to appraise them of the latest developments and technology available in the sector.
