

M E S S A G E

Prime Minister
Government of the People's Republic of Bangladesh

I am happy to learn that 'CEMS USA' and 'CEMS BANGLADESH' are jointly organizing the 'Power Bangladesh 2009 International Expo' - Bangladesh' on 12-14 November 2009 in Dhaka.

The exhibition, I hope, with display of latest innovations and technologies of the world in power and energy sector will play an important role in familiarizing our local entrepreneurs with the newest technology right at our doorsteps.

I also hope that special emphasis would be given on tapping the alternative energy sources for power generation.

I call upon our businessmen to work in partnership with the government to make a perfect roadmap of our 'Vision 2021' for a 'Digital Bangladesh'.

I wish the exhibition a grand success.
